

Elevate Your Conference with a TMG BOOT CAMP

TMG's suite of pre- and post-conference boot camps is designed to empower MSPs at your next conference. Our expert-led sessions provide in-depth training in critical areas of MSP career development, offering your attendees an unparalleled opportunity for growth.

• CERTIFICATION BOOT CAMP

FOCUS: Preparing MSPs for the CPCS® or CPMSM® exam.

FORMAT: A two-day intensive workshop combining a thorough review of essential materials with strategic test-taking strategies.

OUTCOME: Equip participants with the knowledge and confidence needed to achieve the certification they deserve.

• CAREER ROCKET BOOT CAMP

FOCUS: Accelerating career advancement for MSPs.

FORMAT: Available as a one- or two-day event, it covers strategic planning, networking, interview skills, and professional branding, including professional headshots.

OUTCOME: Empower attendees with tools and insights for significant career growth.

• FOUNDATIONS OF CREDENTIALING BOOT CAMP

FOCUS: Standardizing essential credentialing skills for newcomers or those seeking to solidify their knowledge.

FORMAT: Comprehensive sessions covering bylaws, document management, and core credentialing processes.

OUTCOME: Provide a solid foundation in credentialing practices for improved performance and compliance.

• FOUNDATIONS OF PROVIDER ENROLLMENT BOOT CAMP

FOCUS: Offering a primer for professionals new to provider enrollment.

FORMAT: Detailed exploration of provider enrollment processes, terminology, and technology.

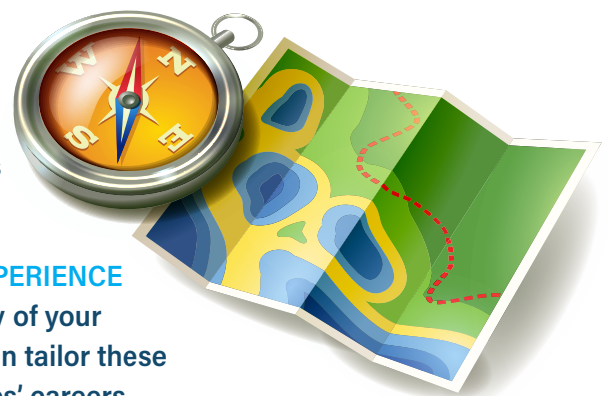

Outcome: Enhance understanding and efficiency in provider enrollment tasks.

CUSTOMIZABLE SOLUTIONS FOR YOUR EVENT

Boot Camps are designed to be flexible, allowing for integration into your conference schedule as pre- or post-conference sessions. Our team will work closely with you to ensure the boot camps complement your event theme and meet the specific needs of your attendees.
